

"Je suis heureux de collaborer avec SUPER 8 Flandrien. Leur accent sur l'artisanat et la persévérance correspond bien aux valeurs que je défends en tant que coureur. Cela m'a donc semblé être une association naturelle, et je suis fier de faire partie de cette histoire belge," déclare Philippe Gilbert.

Vincent Bogaers, Account Director Benelux chez Wasserman, ajoute : "Chez Wasserman, nous sommes très satisfaits de ce partenariat. En collaboration avec mes collègues de Wasserman Cycling, qui représentent Philippe Gilbert, nous avons mis en place ce partenariat et conçu la campagne de A à Z. Le fait de réunir une marque forte comme SUPER 8 Flandrien et un coureur légendaire comme Philippe Gilbert démontre la puissance de la collaboration dans le monde du cyclisme."

SUPER 8 Flandrien sera présent lors de plusieurs événements cyclistes majeurs dans les mois à venir. Le 21 septembre, nous serons à la SUPER 8 Classic, un événement qui se déroule dans notre propre arrière-cour à Haacht. Nous serons également présents lors de diverses courses de cyclocross, notamment l'emblématique Koppenbergcross le 1er novembre. Le point culminant de nos activations de cette année sera les Six Jours, où nous participerons activement avec un défi cycliste passionnant.

SUPER 8 Flandrien strengthens brand positioning in cycling with Philippe Gilbert as ambassador

Brouwerij Haacht enters a multi-year partnership with cycling icon for strategic campaign

Brouwerij Haacht is proud to announce a multi-year collaboration with former professional cyclist and cycling icon Philippe Gilbert to further strengthen the positioning of the SUPER 8 Flandrien brand within the cycling world. As part of this strategic partnership, designed to reinforce the brand identity of SUPER 8 Flandrien, Gilbert will serve as the brand's ambassador.

The collaboration with Philippe Gilbert, a cyclist renowned for his perseverance and passion for the sport, aligns perfectly with the values and vision of SUPER 8 Flandrien. "We are thrilled to have Philippe on board as the face of our brand. His impressive career and status as a true Flandrien seamlessly match the image we want to convey with SUPER 8 Flandrien," says Karen Cumps, Brand Manager at Brouwerij Haacht.

STRAVA Challenge kicks off the campaign

To mark this collaboration, we are launching a unique STRAVA challenge. This challenge will be activated in the run-up to the SUPER 8 Classic and offers cycling enthusiasts the chance to win an exclusive Flandrien cycling outfit. The challenge aims to inspire and motivate both amateur cyclists and avid athletes to embrace the Flandrien spirit that Super 8 embodies.
